

The Quaderra Group specializes in the placement of technical and executive professionals in the energy and resource industries within Canada and around the globe. We utilize an innovative and proactive approach to reveal hidden talent to our clients and well-matched opportunities for our candidates. Our priority is to maximize the fit between companies and candidates. We look for the right fit – beyond the resume. This means we focus on getting to know YOU. This includes not only your skill set, but understanding what's important to you to help determine what you really want. We work for you – your satisfaction is our success.

JOB ID #: C10214

JOB TITLE: IFRS Consultants

POSITION LOCATION: Calgary, AB

Our Client: Our Calgary-based clients are oil and gas exploration & production companies who will be looking to become IFRS compliant before the 2011 deadline. These exciting opportunities will provide the successful candidates with access to great organizations to assist with their overall IFRS transition initiatives. Ideally, candidates will have worked in Oil and Gas environments and be familiar with current accounting conventions in the industry, and have some relevant IFRS conversion experience.

Responsibilities/Accountabilities:

Depending on the client, responsibilities may include:

- Participating in the implementation of IFRS, including preparation of position memos and analyzing current internal processes to identify and assist in implementation of process changes required to meet the new IFRS requirements in 2011;
- Liaising with various departments (IT, Treasury, Tax, Operations, etc.) to complete the above;
- Assisting in the preparation of 2010 IFRS compliant quarterly financial statements;
- Assisting in the reconciliation from Canadian GAAP ending balances to IFRS compliant opening balances;
- Supporting the Accounting Senior Management in the development and maintenance of the Financial Policy manual, updating for new accounting standards, including IFRS and new accounting transactions undertaken by other departments and the operations;
- Assisting in the rollout, including staff training and support, and working with external auditors when required;
- Other duties and projects as required.

Skills/Qualifications:

The IFRS Reporting Consultants will possess an accounting designation (CA, CPA, CMA or CGA) and have extensive hands-on experience with both Canadian and IFRS reporting standards, as well as experience working in an oil & gas producer, with a solid understanding of oil & gas accounting principles. They will have strong interpersonal and communication skills, both verbal and written, and strong project management skills with the ability to leverage resources (people, processes, departments, tools) to complete objectives efficiently and effectively.

Compensation/Remuneration:

Hourly/daily rates will vary depending on the experience level of the contractors.

How to Apply: If you are interested in this position, please submit your resume in Word or .RTF format to info@quaderra.com including job ID #C10214 in the subject line. Thank you.
