Our priority is to maximize the fit between companies and candidates. We look for the right fit – beyond the resume. This means we focus on getting to know YOU. This includes not only your skill set, but understanding what's important to you to help determine what you really want. We work for you – your satisfaction is our success.

JOB ID #: C10264

JOB TITLE: Senior Public Consultation Advisor

POSITION LOCATION: Calgary, AB

Our Client:

Our client is an integrated international energy company primarily focused on upstream oil and gas operations. The organization is involved in oil sands and offshore projects within Canada.

The Senior Public Consultation Advisor is responsible for conducting project consultation activities and fulfilling the company's obligations to consult with local communities. This position will support the company in meeting regulatory requirements for local community and aboriginal consultation activities.

Reporting Structure:

This position reports to the Director, Regulatory Affairs.

Responsibilities/Accountabilities:

- Responsible for ensuring effective community regulatory consultation, which is key to accomplishing the organization's local community and business sustainability vision.
- Support Regulatory Affairs in producing the required regulatory related consultation action plans and reports.
- Coordinate local open houses and meetings. Be available to meet and discuss the company's project activities with local communities nurturing long term relationships.
- Understand the local communities and assist in identifying new local business opportunities which will deliver mutual benefits.
- Ability to manage a range of issues and challenges at the same time while keeping perspective and focused on the goal.

Skills/Qualifications:

A minimum of 5 years' related experience in the oil and gas industry with demonstrated expertise and experience in the following areas:

- Experience in building effective working relations with local communities.
- A demonstrated ability to connect with the public and aboriginal issues.
- Knowledge and understanding of the specific SAGD local communities.
- An understanding of the regulatory system related to consultation requirements including First Nation communication.
- Knowledge of local organizations including community groups and political processes.
- Must have solid leadership abilities as well as being a team player.
- Excellent interpersonal skills, as well organizational and communication skills.

Compensation/Remuneration:

Compensation includes a competitive salary, short term performance bonus, long term incentive program, savings and pension plan, vacation, personal days off, comprehensive health benefits, and personal allowance.

How to Apply: If you are interested in this position, please submit your resume in Word or .RTF format to info@quaderra.com including job ID #C10264 in the subject line. Thank you.
